---------	-----------	------------------------

RESOLVED that observations be submitted in respect of the following applications as follows –

09/0033	Renewal of Consent – Amended Plans	Gleision Colliery Cilybebyll
---------	------------------------------------	------------------------------

Council does not wish to threaten employment prospects at this location and welcomes the steps which the company is taking to address pollution and other concerns. However, it does not consider that the public highway is capable of further use to serve this development, and it therefore OBJECTS to the interim arrangements pending completion of negotiations with the Forestry Commission and work on their land over an 18 month period.

10/0576	C/Use for Wedding/Conference Venue and Extension	Plas Cilybebyll, Cilybebyll
---------	--	-----------------------------

Council is very concerned about this application for the following reasons –

- This is a tranquil location and should remain so, and there are fears that such a development would compromise this character and disturb grazing animals, and adversely affect adjacent properties which value such character.
- There are concerns about potential noise disturbance emanating from the property when operational.
- There are concerns about light pollution (which is already experienced).
- Parking provision is considered to be inadequate, amid fears that 80 guests and employees will require more than the spaces proposed, leading to indiscriminate parking along the lane and on Plas Road.
- The conservatory seems to be indiscriminately “attached” to the garage building, and its appearance is somewhat incongruous with all other buildings in the vicinity.
- The Council has been made aware of significant concerns from Mr Cliff Croft regarding compliance with disability discrimination legislation. The Council cannot comment on the technicalities but would ask NPT CBC to investigate these concerns vigorously.

For the above reasons, Council has resolved to request that NPT CBC insist on a fundamental reassessment of the proposals and RE-CONSULT WITH THE COUNCIL when such concerns have been addressed.

52 MAINTENANCE

RESOLVED noted that the playground repairs had been completed.

53 COMMUNITY CENTRE MANAGEMENT

RESOLVED noted the progress with decoration of Alltwen CC hall, and appreciation was noted for the volunteer groups who had assisted the Council with this work.

54 PACT MEETINGS

Councillor A Ames summarised the outcome from the last Rhos PACT meeting, well attended by 20 members of the public. He referred to the key issues identified – anti social behaviour, parking on Neath Road and excessive speed through the village. RESOLVED report be noted.

Councillor A Melen reminded Members of the Alltwen PACT meeting on 15 July 2010. RESOLVED noted.

RESOLVED that the Clerk write to the Woodturners and WI users at the Centre thanking them for their invaluable contributions to the work, and that a publicity opportunity be arranged to which they would be invited, along with a representative from WREN who had funded much of the work.

69 PACT MEETINGS

There were no significant reports following the recent PACT meetings.

70 LAND EAST OF RHOS PARK

The Clerk reported that he was in receipt of a request from Rhos AFC to allow an access to be created from Rhos Park to the land situated to the east, in respect of which the Club had secured a licence from the owners, Neath Port Talbot CBC, to allow its improvement and use as an additional playing field facility. The access was required to facilitate maintenance vehicle access only, and all work would be undertaken by the Club. Neath Port Talbot CBC had confirmed to the Clerk that the verbal agreement was in place, pending a more formal licence, and had also indicated no objection to the creation of the maintenance access. RESOLVED that Council agree to the proposal subject to conditions, including the locking of the gate when not in use, and avoiding the loss of any trees if possible, and the Clerk be authorised to liaise with Rhos AFC accordingly.

71 FUNDING BIDS

The Clerk reported that he had submitted the following funding bids to the Welsh Assembly Government under the Western Valleys Strategic Regeneration Area –

- “Sustaining Community Activity in Alltwen” – seeking to further enhance facilities and user group activity at Alltwen Community Centre;
- “Community Leisure Facilities in Rhos” – seeking to replace the Rhos Pavilion facilities by adapting parts of Rhos Community Centre.

The Clerk outlined the nature of the proposals and the potential financial implications. RESOLVED that the Clerk be given authority to progress the bids expeditiously and with some flexibility, and be authorised to liaise with user groups at the appropriate time.

72 PUBLIC AND PRESS

RESOLVED that further to Subsection (1) of Section 2 of the Public Bodies (Admission to Meetings) Act 1960, the public and press be excluded from the meeting during the following 2 No. items, by virtue of the nature of the business to be transacted.

73 TENDERS

The Clerk submitted reports on the following tender matters which are pertinent to the funding bids currently under consideration –

1. Alltwn Community Centre

Tenders were invited for replacement of windows, flooring improvements and external painting. Following return of tender documents they were duly opened in the presence of the Chairperson and Vice-Chairperson with a view to reporting to Council. For reasons explained to Council, the Clerk recommended that the tenders received be set aside and a further tendering exercise be initiated, with a view to reporting back to Council at the next meeting.

RESOLVED that the Clerk's recommendation be accepted.

2. Rhos Community Centre

The Clerk reported that he had sought advice from One Voice Wales as to whether the tendering process undertaken in 2009 with regard to the provision of changing facilities at Rhos Community Centre to replace those at Rhos Pavilion, could be relied upon in order to progress these works if funding were to be confirmed. He outlined the advice which had been verbally received that, as this was a bona fide tendering process, this would be acceptable.

RESOLVED that the Clerk engage with Messrs Edmunds Webster Ltd as lowest tenderers in 2009, regarding the tender which they submitted, and re-engage Messrs Hurley and Davies Ltd who were advising the Council as surveyors, as soon as it is practical to do so, and report back to Council at an appropriate time.

74 PRUDENTIAL

The Clerk presented a factual report to Council on the availability of Additional Voluntary Contributions which were offered as part of the Local Government Pension Scheme, in respect of which the Council is a participating employer. The scheme is operated by Prudential on behalf of the pension administrators, the City and County of Swansea. RESOLVED that if individual employees wished to avail themselves of this opportunity, Council enter into the necessary arrangements with Prudential and the employees concerned.

75 CANDIDATE SITES – NEATH PORT TALBOT LDP

The Clerk reminded Members that a second request period for Candidate Sites for the Neath Port Talbot Local Development Plan had now ended, and advised that a further 12 sites had now been added to the 30 submitted at the first opportunity in 2009. He submitted a report on the list of 12 Candidate Sites and Members determined that, as previously agreed (Minute 82, Council, 01 September 2009 refers), Council should not arrive at a conclusion with regard to each of the 12 sites in turn, but that a more generic expression of views should be considered and conveyed to NPT CBC, as the basis for further inputs to the LDP in due course.

RESOLVED that the statement submitted in September 2009 which reflects the Council's views on Candidate Sites, be amended to refer to the further 12 sites, and be submitted to Neath Port Talbot CBC.

76 2009/10 ACCOUNTS AND ANNUAL GOVERNANCE STATEMENT

The Clerk referred to the amended audit procedures for dealing with the Council's Accounts. He confirmed that a satisfactory report had now been received from the Council's internal auditor and that he had completed the Annual Governance Statement. The Clerk provided an update on the 2 funding bids submitted to the Western Valleys Regeneration Area in respect of the Alltwen Community Centre and Rhos Park Changing Facilities. He confirmed that he was now awaiting written confirmation of an approval in respect of the Alltwen bid, and that further works were being priced in case there was an opportunity to include them within this bid, or a second bid to WREN.

He further confirmed that a formal approval letter was still awaited in relation to the Rhos CC changing facilities.

Members were advised that, given the likely annual expenditure arising from these two successful bids, the Council may be unable to reclaim all of its VAT from HMRC. Advice had been sought from One Voice Wales, and consequently the Clerk proposed that he should submit the annual claim in the usual manner.

RESOLVED that the report be noted.

105 PUBLIC AND PRESS

RESOLVED that further to Subsection (1) of Section 2 of the Public Bodies (Admission to Meetings) Act 1960, the public and press be excluded from the meeting during the following item, by virtue of the nature of the business to be transacted.

106TENDERS AND CONTRACT DISCUSSIONS

1. Alltwn Community Centre

The Clerk presented tender assessment reports in respect of proposed work at Alltwn Community Centre, subject to the approval of funding from the Welsh Assembly Government.

Flooring Improvements

Tenders had been sought from 6 No. contractors, but only 3 No. tenders were duly returned and opened in the presence of the Chairperson and one other Member of Council, both of whom signed the tenders with the Clerk. The report indicated that clarifications had been sought in respect of all 3 No. tenders in order that they were comparable. RESOLVED that the lowest tender in the adjusted sum of £2,850.00 plus VAT be accepted, and that County Contracts Flooring be appointed to undertake the specified flooring improvements.

Windows (all round) and Rainwater Goods (Car Park Elevation)

Tenders had been sought from 7 No. contractors. The contractors were invited to tender for 3 packages of work. Only 3 No. tenders were duly returned and opened in the presence of the Chairperson and one other Member of Council, both of whom signed the tenders with the Clerk. The report indicated that clarifications had been sought in respect of all 3 No. tenders in order that they were comparable. RESOLVED that the lowest tender for all 3 packages of work in the adjusted sum of £14,680.00 plus VAT be accepted, and that Plaztec Installation be appointed to undertake the specified improvements, subject to the Clerk and Councillors D Atkins and G Davies inspecting work following references from the contractor.

Loft Insulation Improvements

Tenders had been sought from 4 No. contractors, but only 2 No. tenders were duly returned, and opened in the presence of the Chairperson and one other Member of Council, both of whom signed the tenders with the Clerk. The report indicated that clarifications had been sought in respect of both tenders in order that they were comparable. RESOLVED that the lowest tender in the sum of £2,292.00 plus VAT be accepted, and that eaga Insulation be appointed to undertake the specified loft insulation improvements.

2. Rhos Community Centre Changing Facilities

The Clerk reported that a revised specification had been advised to the contractor and that the contractor was now finalizing a revised contract sum with the Council's consultant for consideration. The specification would include minor changes to internal finishes, measures to improve the

building's carbon footprint, and new drainage arrangements. To inform the specification it would be necessary to commission an asbestos survey and a drainage camera survey in the approximate sums of £300.00 and £360.00 respectively. RESOLVED that the report be noted but that the asbestos and drainage camera surveys be authorized in the approximate sums indicated.

108 DECLARATIONS OF INTEREST

There were no declarations of interest.

109 CHARGES AT COUNCIL FACILITIES

The Clerk reminded Members that Council had a duty to review charges on an annual basis.

With regard to the Council's two community centres, he referred to a policy adopted at Council on 04 December 2007 (Minute 107 refers) which involved a commitment to equalise charges over a number of years, and updated Members on the current circumstances. Members RESOLVED to recommend to Council that the cost of hiring the hall at Alltwen CC and Rhos CC for a single normal activity be raised to £6.00 but that all other charges remain the same.

The Clerk also advised members of the current charging regime with regard to Rhos Park Playing Field, along with comparative charges for the use of similar facilities. Members reflected on the condition of its facilities and on the timescale for improvements. RESOLVED to recommend to Council that charges for senior and junior football matches be increased by £1 to £20 and £10 respectively, but that charges for mini football remain at £4 per match.

110 CAPITAL PROJECTS 2010-11

The Clerk referred to the Council's allocation of £17,400 for capital schemes within its 2010-11 budget (Minute 159, Finance and Development Committee, 19 January 2010, and Minute 171, Council, 02 February 2010 refer).

Members received updates on individual items that were ongoing, and outlined the programme for schemes where expenditure was yet to be committed, as indicated below –

- Alltwen CC Improvements Phase 1- £3,000 – completed
- Alltwen CC Improvements Phase 2 - £3,000 – committed with a further £3,000 committed from reserves

- Rhos Playing Field Contract Retention - £1,500 – held in reserves
- Rhos CC Electrical Work - £900 – completed
- Rhos CC Improvements - £2,000 – committed
- Brynmorgrug - £1,000 – held in reserves
- Gwynfryn Improvements - £1,000 – held in reserves
- Reserves - £5,000 – transferred to reserves

It was noted that an overall capital spend in excess of £67,000 was anticipated, to be offset by grant amounting to just over £50,000. This will result in the Council's capital allocation leveraging significant external funding, and being fully committed by 31 March 2011.

RESOLVED that Council be recommended to note the report.

111 CAPITAL PROJECTS 2011-12

Members were reminded of previous discussions in Council to match fund grant bids that would result in expenditure in both 2010-11 and 2011-12. In 2011-12, the match funding commitment required is £6,000 for Alltwen Community Centre and £10,000 for Rhos Community Centre.

RESOLVED that Council be recommended to reflect this commitment towards the two capital schemes in its budget for 2011-12, and request that Finance and Development Committee consider any other emerging priorities, once the budget had been set and as they arise during the financial year, before reporting back to Council.

112 BUDGET ESTIMATES AND PRECEPT FOR 2011-12

The Clerk submitted his report on the 2011-12 budget estimates, based on anticipated expenditure and income in 2010-11. Respective heads of expenditure were considered, and Members discussed the possible obligations that might be placed on the budget, particularly the significant demands arising from its programme of capital expenditure supported by external grant. Members noted that it had been necessary to utilise reserves to partly fund delivery of this programme, and that it would be prudent to consider boosting reserves as part of the budget process, particularly in view of the VAT implications. Expenditure options, precept options and the implications for Council Tax were considered.

RESOLVED that Council be recommended to:

- 1 Agree the Clerk's report on estimates for 2011-12;
- 2 Levy a Precept in the sum of £80,000.00 for the financial year 2011-12.

The meeting ended at 8.47 pm.

164 DECLARATIONS OF INTEREST

There were no declarations of interest.

165 DYFFRYN ROAD ALLTWEN

1. Concern was expressed regarding the junction of Public Right of Way 24 and Dyffryn Road Alltwen, given that the footpath was widely used by children and parents accessing Alltwen Primary School. There were refuse bins left on the highway and sight lines approaching the footpath were not ideal, and with the speed of traffic at this location residents were concerned about a potential accident, and were requesting the introduction of a 20 mph speed limit and appropriate signage. RESOLVED that the Clerk write to NPT CBC to explore the options.
2. The condition of Dyffryn Road near its junction with Neath Road was raised. RESOLVED that the Clerk draw the matter to the attention of NPT CBC.

The Clerk reminded the meeting of the significant investment in Alltwen Community Centre since 2009, and that the playing field in question was a private facility leased from NPT CBC. He indicated that this was a matter best considered by Council as part of its review of capital investments when setting its budget and it was RESOLVED accordingly.

Concern was expressed about the speed bumps in Ynysymond Road Alltwen. RESOLVED that the Clerk write to NPT CBC to request their view.

174 PLANNING APPLICATIONS

(Councillor M Spooner declared an interest in this Item, left the Chamber and took no part in the discussions or voting thereon).

RESOLVED that the Council offer observations on the following application as indicated below -

10/1248 Scoping Opinion for Wind Farm Mynydd March Hywel Rhos
Council's understanding is that NPT CBC has previously taken a view which resulted in the withdrawal of previous proposals at this site, and as the Council has previously offered its objection to planning applications at the site, it is unlikely to change its view. Council understands that the scoping report is a statutory part of the process laid out in legislation, and is technical in its remit. However, it does not consider it appropriate to offer comment on the adequacy of the matters outlined in the report and would advocate that the applicants should be encouraged to withdraw it, as the principle of the inappropriateness of a windfarm at this location has already been established.

NO OBJECTION to the following applications –

11/0158	Extension and Balcony	26 Graig Road Alltwn
11/0207	Extension	2 Alltwn Chwyth Alltwn

RESOLVED that further information be requested on the following application for the reasons indicated below -

10/0218 C/Use of Churchyard Church House Dyffryn Road Alltwn
Council is not clear about ownership, existing use, whether there is a building on the site already, and whether this is a retrospective application. It would also seek reassurance that all Church in Wales "protocols" have been followed.

175 MAINTENANCE

(Councillor M Spooner declared an interest in a new work task identified under this Item and took no part in the discussions or voting on that work task).

RESOLVED that the Clerk's report on existing work tasks be noted, and that an additional task be added and actioned, involving the renewal of chainlink fencing at Rhos Park at a cost of £500.00. Further RESOLVED that the Clerk seek quotations for the completion of a tree survey at Council sites.

176 COMMUNITY CENTRE MANAGEMENT

1. RESOLVED noted that the Clerk had terminated the window cleaning arrangement at Alltwn CC and would report back to Council to seek instruction as to the way forward, when the installation of new windows had been completed.
2. RESOLVED noted that gas supply contracts had been extended at Alltwn and Rhos Community Centres.

177 PACT MEETINGS

Councillor A Melen reported on a very busy meeting at Alltwn CC, the main issue being traffic along Lon Hir. Councillor Ames reminded Members that the Rhos meeting was scheduled for 6 April 2011. RESOLVED that both reports be noted.

178 PUBLIC AND PRESS

RESOLVED that further to Subsection (1) of Section 2 of the Public Bodies (Admission to Meetings) Act 1960, the public and press be excluded from the meeting during the following item, by virtue of the nature of the business to be transacted.

179 GROUNDS MAINTENANCE 2011/12

Further to Minute 149 of Council on 01 February 2011, the Clerk had sought a price from the existing Grounds Maintenance contractor for 2 No. Grounds Maintenance Contracts in 2011/12. RESOLVED that the price quote for both contracts in the sum of £9,532.88 plus VAT, representing a 1% increase on the 2010/11 price be accepted, and that Neath Port Talbot CBC Streetscene be appointed to undertake Grounds Maintenance in 2011/12.

180 APPLICATIONS FOR FINANCIAL ASSISTANCE

RESOLVED that the following applications be supported in the sums indicated -

10	Cilybebyll Parish Church Improvements to Churchyard	£150.00

181 ALLTWN COMMUNITY CENTRE IMPROVEMENTS

The Clerk indicated that window replacement work was now well advanced and that instructions had been issued regarding the insulation of roof spaces. RESOLVED that the report be noted.

182 RHOS COMMUNITY CENTRE CHANGING FACILITIES

The Clerk reported that the Rhos Community Centre Changing Rooms Contract was proceeding towards completion and that the Council's consultants had met with the contractors to review the work. RESOLVED that the report be noted.

183 RHOS PAVILION

The Clerk reminded Members of the condition of the Rhos Pavilion, and that a decision was needed as to what would happen to the building once the new facilities were open at Rhos Community Centre. Members considered the option of working with local organisations that might want to use the premises for storage, but emphasised that Council should seek to remove its liability from this building if this were to occur. The possibility of demolition was also raised, along with the need to decommission utilities at the site so as to reduce costs and liabilities.

RESOLVED that the Clerk enter into informal discussions with existing users of Rhos Park as to any potential interest in use of the building for storage, subject to agreement on there being no utilities provision remaining and there being no maintenance liability falling on the Council.

184 RHOS COMMUNITY CENTRE CHANGING ROOMS

Members considered the possibility of holding some sort of event to mark the opening of the new changing rooms at Rhos Community Centre, and considered the implications in terms of who might be involved. RESOLVED in principle that relatively low key publicity was preferred, given that this scheme involved the adaptation of existing facilities, but that the Clerk engage with officers at the Welsh Assembly Government to establish whether there were specific requirements on their part as predominant funders.
